

Guide for Meta Players

WELCOME TO THE METAVERSE CHAMPIONSHIP, A HACKATHON UNLIKE ANY OTHER. LET'S BEND THE RULES AND EMBARK ON A THREE-DAY TRIP FILLED WITH LEARNING, CODING, DEVELOPER NETWORKING, AND FUN! PREQUALIFY TO BE INVITED TO GAMERLAND BUDAPEST, WHERE YOU AND YOUR TEAM WILL PLAY AND COLLABORATE ON ACTUAL PROJECTS TO WIN THE GRAND PRIZE. LET'S GET STARTED!

WHEN AND WHERE?

The main event is **from the 5th to the 7th of December, 2022**. Our physical venue is the fantastic **GamerLand in Budapest**, Hungary. It's a hybrid event as we **stream it live in Kusamaverse**! Join online in the metaverse if you can't get qualified or attend in person!

HOW TO ENTER?

You can qualify to enter the game via the prequalification challenge right now! Find it on metaversechampionship.gg, solve it as fast as possible, register with the flags, and prove you're among the best! Player spots are limited! Only the first 40 players get in!

WHAT IF I QUALIFY?

If you are one of the best and quickest, you get invited to GamerLand Budapest. You can **attend in person, challenge yourself, and win the grand prize** with your team! We process the form a few days after you send the registration and notify you about your status as soon as possible!

WHAT IF I DON'T GET IN?

Don't panic if you miss it this time! You can follow the event and **participate in the Kusamaverse** as a remote attendee! You can still learn plenty and develop your skills for the next Championship!

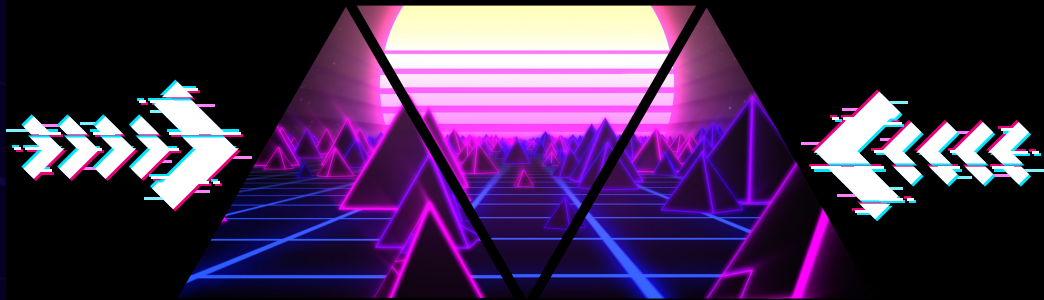

Get ready!

How to Play

THE METAVERSE CHAMPIONSHIP IS A WHOLE EXPERIENCE, NOT JUST THE 3-DAY-LONG MAIN EVENT! GET INVOLVED BEFORE THE 5-7TH OF DECEMBER! WE PROVIDE DIVERSE EDUCATIONAL MATERIALS FOR YOU TO PREPARE FOR THE COMPETITION. DON'T FORGET US AFTER THE GAME EITHER! FOLLOW US TO SEE HOW THE PLAYERS' PROJECTS IMPACT THE ECOSYSTEM AND HEAR ABOUT THE SUCCESS STORIES. LET'S DIVE INTO THE DETAILS!

BEFORE THE COMPETITION

Solve the **prequalification challenge** and secure one of the limited player spots for yourself as soon as possible! You get notified when your entry is accepted. You have to **qualify independently**. We advise you to **prepare your dev environment and libraries** before the game begins! Follow us on your preferred platform for announcements about the tracks and challenges. We send you preparation tips before the tournament and provide you with various **educational materials to study**. Brace yourself, pack your laptop, and get ready!

HACK THE METAVERSE IN STYLE

You finally arrive at the headquarter for the main event - the fantastic GamerLand - and feel like you're already in the metaverse! Step inside the **grandest and most well-equipped IT and gamer space** in Central Europe. Learn and code, work on your project as a team, and enjoy the simulators, VRs, consoles and arcade games anytime while we provide **three meals a day, drinks from the bar, and unlimited nachos** for your comfort! Relax in the chill zone with your squad when your batteries are low or look for **engaging side-events** like the NFT gallery. Talk and brainstorm with other players to **connect and open discussions** and meet our ecosystem partners, mentors and judges, as they look for developers for their projects! Then watch and enjoy how the place turns into an epic party zone in front of your eyes!

Main event!

DAY 1 - BREAK THE ICE

The first day is about preparation, workshops, and the icebreaker event! After you arrive at GamerLand and collect your Loot Pack, you attend the opening ceremony and start the Championship. You can visit **workshops and speeches** to deepen your knowledge while you keep your eyes open for potential team members. As you begin to know each other, you can **start forming teams** of 2-4 players and request devices like PC or VR for your project or even try them together and have a little fun before the bus arrives in the afternoon to **take you to Neverland!** We challenge you to hack yourself out of the escape rooms with your squad, show off your puzzle-solving skills, and - most importantly - have a **wonderful dev networking evening** before the real challenge!

DAY 2 - DEADLINE MODE ON

On the second day, the stakes go high as the coding begins! After arrival, you start the day with **team finalization** and register your group members. The timer starts when the challenges get announced, and you have **24 hours to implement your project!** Your team will need to solve at least one from each track of the challenges! The game isn't just a test of your developer skills but a real challenge to your proficiency in project planning, time management, teamwork, and communication.

Mentors are there to guide you and aid you create something significant and impactful, so don't be afraid to brainstorm with them if you feel the need. And when your batteries are low, relax in the chill zone or recharge with video games and arcade games on location, but don't forget your journey isn't completed!

DAY 3 - CHAMPIONS IN SYNTHWAVE

You're at the finish line on the third day, but one challenge is still ahead before celebrating your successes! After the coding time is up, each **team has to present its project** on the main stage! Summarize your developments in a maximum **10 minutes long pitch** and answer the judges' questions together. Be prepared and work as a team to score the highest points for your stage time! After the presentations, the judging process begins. It's your time to relax before the big **announcement ceremony** of the winners and the **epic afterparty with DJ Quixotic!**

Prize and glory!

the Prize pool

A GRANDIOSE HACKATHON NEEDS A GRANDIOSE PRIZE POOL. YOU CAN WIN BIG BUCKS, EXPERIENCE A COMPLETELY DIFFERENT HACKATHON, AND HAVE INCREDIBLE OPPORTUNITIES! THE 36K USD WORTH OF DOT WASN'T ENOUGH, SO OUR PARTNERS INCREASED THE POOL WITH BONUS TOKENS, AND WE COULDN'T LEAVE OUT SOME COOL PHYSICAL TROPHIES FROM THE LINE-UP. IT'S ALL WAITING FOR YOU TO WIN IT!

THE REWARD OF THE CHAMPIONS

Network with developers and partners, play in escape rooms, work on engaging and valuable projects with your team, and have a great time at the afterparty. Benefits for all, but only the best can grab the grand prizes! Score high and be in the **best three teams** for the primary awards, win the **community's vote** with presented value, or fight for the **judges' respect** with your clever ideas for the special prizes. The grand **36k USD worth of DOT** pool raised with more **tokens by partners** and topped with the trophies are worth the battle!

ETERNAL GLORY

Experience and material goods are great, but one of the most valuable prize is the opportunity to **build your reputation** in the community. We provide many chances to show yourself and your skills in front of the audience online and offline! **Get announced as a player** on our platforms and **introduce yourself**. Look out for other players' intros before the competition, and maybe you even find your teammates before the event. Talk about your project in the **Kusamaverse live stream interviews** during the main event and let the public know about your strengths. Let us follow up with you after the Championship and **make your achievements unforgettable!**
